The American Samoa Bar Association is pleased to announce its 40th Anniversary Law Conference to be held at the American Samoa Community College Auditorium on April 28, 2012. Beginning at 1:00pm, the Bar will be hosting a series of events to celebrate 40 years of promoting justice in American Samoa. The conference will include a presentation on the history of the Bar Association, the awarding of the first annual Arthur A. Morrow Justice Award, a panel discussion on citizenship and what it means for American Samoa, and a presentation on the High Court's revised case management system.
